Dear Mrs. Manley:

Responding to your letter of March 11th, contents noted with sincere interest. Have noted your schedule in the Negro National League, and with exploitation, no doubt you will do well.

I plan to be in the east late next week, and hope to have the time to either talk to you over the phone, or spend an hour or two in person...at which time various items you outlined can be thrashed out thoroughly.

Closing with kindest personal regards, I am,

AMS:NS

Very truly yours,

P. S.

Very little can be done at Detroit, pending clarification of several situations...as it seems everyone in the business has contacted the Detroit management regarding the park. Will discuss the angles with you and other factors, when I have a chance to get together with you.
